(c) and (d) According to the reports received from the Government of Orissa, there is no large scale migration of people due to the drought conditions. Some migration of people to the neighbouring States for better work and emoluments is a common feature in the border districts. Poverty alleviation programmes such a Jawahar Rozgar Yojana, Employment Assurance Scheme, Indira Aawas Yojana, Million Wells Scheme, IRDP etc. are being implemented in the State in order to mitigate the adverse impact of drought and check migration.

Consumption of Urea

1884. SHRIMATI CHANDRA KALAPANDEY:
SHRI JIBON ROY:

Will the Minister of AGRICULTURE be pleased to state:

(a) the urea consumption per hectare in the country;

(b) the State-wise urea consumption per hectare;

(c) the State-wise consumption of urea as percentage of total consumption in the country;

the State-wise location of urea units in Public Sector and Cooperative Sector alongwith installed capacity and capacity utilised; and

(e) the Urea imported in 1996-97 and in the 1st quarter (April to June, 1997) of 1997-98?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (DR. S. VENUGOPALACHARI): (a) The consumption of urea in the country is estimated to be 105.3 Kilograms per hectare in 1996-97, equavalent to 48.4 Kilograms per hectare of nitrogen.

(b) and (c) A Statement indicating the State-wise consumption of urea per hectare and the percentage share of consumption of urea to total consumption in the country is at Statement-I (*See* below)

(d) A Statement indicating the location of urea producing units in the Public Sector and in the Cooperative Sector, State-wise, alongwith installed capacity and capacity utilised is at Statement-II (*See* below)

(e) The quantities of urea imported in 1996-97 and in the 1st quarter (April-June) of 1997-98 are given below:

1996-97	23.28 lakh tonnes
1997-98 (1st April to 30th June, 1997)	9.45 lakh tonnes

Statement-I

State-wise estimated per hectare consumption of urea and the percentage of urea consumption to total consumption during 1996-97

Demand and Supply of Subsidised Fertilizers

1885. SHRI MOHINDAR SINGH KALYAN: Will the Minister of AGRICULTURE be pleased to state:

(a) the amount of subsidised fertilizers demanded and supplied to Punjab, Uttar Pradesh, Haryana, Bihar, Himachal Pradesh, Rajasthan and Orissa during the last two years and so far during 1997-98;

(b) the reasons for short supply to the above States; and

(c) the steps being taken by Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (DR. S. VENUGOPALACHARI): (a) to (c) Urea is the only fertilizer which is under statutory price control and for which assessment of demand and allocation of supplies is made at present. A *statement* indicating the assessed demand availability and consumption of urea in Punjab, Uttar Pradesh, Haryana, Bihar, Himachal Pradesh, Rajasthan and Orissa during the years 1995-96, 1996-97 and

* Commenced Production after 1996-97.
